DESCRIPTION

The property comprises a semi-detached, two-storey office building fitted to a high specification, with a mixture of open-plan offices and private meeting rooms.

The offices benefit from carpeting throughout, suspended ceilings with LED and Cat II lighting, perimeter trunking, WC with shower, kitchen and storage area.

Externally there are 11 dedicated car parking spaces, with some having the benefit of electric charging points.

The building has extensive solar PV installed on the roof, which contributes to its EPC B rating. There are 93 panels generating 23.5 kw of energy on a continuous basis, which the tenants would benefit from the usage of when the office is occupied.

OFSI SANCTIONS CHECK

With effect from 14 May 2025, all letting agency work carried out, regardless of rental value, will be subject to financial sanctions regulations and, as such, Mather Jamie Ltd will be required to verify all named Landlords, Tenants and Guarantors to ensure that they are not a Designated Person or someone in breach of sanctions regulations.

To meet these requirements, we will carry out a full Anti-Money Laundering (AML) check on all companies and individuals relevant to a property letting. We should advise that, whilst this will not impact on your credit file, it will result in soft search showing that a check has taken place.

A facial recognition ID check will be carried out via an SMS text message through Landmark Agent.

ANTI-MONEY LAUNDERING POLICY

In accordance with anti-money laundering regulations, two forms of identification and confirmation of the source of funding will be required from the successful purchaser(s).
